## Benefitting Christ the King Academy

**Be Part of a *Special Event*** at the Conservatory Golf Course at Hammock Beach. This incredible course, designed by Tom Watson offers a one-of-a-kind golf experience in Flagler County. Come enjoy a beautiful day of golf and support a great cause in this four-person scramble tournament! Competitions include longest drive, closest to the pin, and lowest team scores. Great prizes!

**Support Christ the King Academy** which opened in the fall of 2008 with the goal of offering families excellent education in a loving, Christian environment. The school was built from the ground up, starting in a renovated warehouse with just 18 students in 3-year-old and 4-year-old preschool. What has transpired since is truly a blessing from the Lord.

Entering its 13th year, the Academy has grown to more than 200 students, offering the quality christian education in Palm Coast for toddlers through 8th grade. We have a dedicated faculty and staff who share the same goal as was first established - offering a high-quality Christian education in a safe and loving environment.

This event will help our Academy achieve its mission of offering Christian education to families in our community. You can partner with us in continuing to serve our families and carrying out our mission!
